Week 2

God told Abraham to lift his eyes from the place where he was. He then told him "...all that you see I will give it to you...". What does that mean? If you can't see it, God can't give it! You have to see it first.

What do you see for 2019? God is not insulted by your biggest dreams and desires. He is insulted by anything less! Read it and run towards it.
