

Little LiFE

**The purpose of this manual is to provide a clear and specific guide to guarantee the optimal operation and development of the department, in order to serve as an instrument of support and institutional improvement.*

MISSION

Partner with parents to teach our children:

- God MADE me
- God LOVES me
- Jesus is my FRIEND forever

VISION

To provide children with the very best experience at church to build their faith in God at an early age. We aim to cultivate a place for babies to discover who God is through the love, care, and prayer they receive from our volunteers. We minister to toddlers and our preschoolers (2 - 6 years old) through Bible lessons, small group activities, and worship songs that teach them foundational biblical truths.

GOAL

Our weekend services are the most important part of the week, and our goal is to make every service the most impactful hour and a half of our children's week. We have a great opportunity as a ministry team to mold these young minds to a life of following Jesus. Serving in our LittleLife area supports our values of **CONNECT**, **SERVE** and **GROW** and is an extension of Word of Life.

YOUR PURPOSE

Make the Word of God come alive to our little ones by showing and telling them how much God (and we) love them. Instill in our children a love for their church and a desire to live a life pleasing to God, who is loving, merciful, and kind towards His children.
